PROFESSIONAL SUMMARY

Passionate and driven Computer Science graduate with hands-on experience in full-stack development and 3D visualization projects. Adapt at creating engaging web solutions and solving real-world problems with innovative designs. Continuously learning and applying modern technologies to build efficient and scalable applications.

SKILLS

- **Programming Languages:** Python, C, HTML, CSS, SQL, JavaScript, PHP
 - **Frameworks & Tools:** Three.js, Supabase, Bootstrap, Laravel, Git, Blender, Power BI, Microsoft Excel
 - **Soft Skills:** Teamwork, Adaptability, Communication, Problem-Solving
 - **Certifications:** IBM AI Fundamentals, Full Stack Web Development, Introduction to Data Analytics, Power BI for Beginners
-

EDUCATION

B.Tech in Computer Science

University College of Engineering, Kariavattom (2021 - 2025)

- Relevant Coursework: Web Development, Database Management
- CGPA: 8.21

High School Diploma

The Oxford School (2019 - 2021)

EXPERIENCE

Full Stack Developer Intern

NYTT-India | Present

Working on a full-stack project to enhance web development and backend skills.

Developing both front-end and back-end solutions under industry-standard practices.

PROJECTS

3D Interactive Campus Navigation System

Tools/Technologies: Three.js, Blender (GLTF Models), Supabase (PostgreSQL)

- Designed a web-based 3D navigation system enabling real-time campus exploration.
- Improved user engagement with dynamic building data visualization.

YouTube Video Summarization to Regional Languages

Tools/Technologies: Python, Natural Language Processing

- Developed a system that provides summaries of YouTube videos in regional languages.
- Simplified content access for diverse linguistic communities.

Python-Based Student Record Management System

Tools/Technologies: Python

- Built a system for managing student records supporting add, update, delete, and search functionalities.

Personal Portfolio Website

Tools/Technologies: HTML, CSS, Bootstrap

- Designed and developed a responsive portfolio to showcase projects and skills.
- Demonstrated proficiency in front-end web development best practices.

Additional Information

- Fluent in English
- Sports enthusiast with strong teamwork and discipline qualities
